AMENDMENT AFTER FINAL REJECTION

SIR:

In response to the "Final" Office Action dated October 17, 2002 please amend the application as follows. It is submitted that the amendment below places the claims in allowable form or, at the very least, in better form for consideration on appeal.

IN THE CLAIMS:

Please amend claim 10 to read as follows:

10. (Amended) A heat sink for cooling a heat generating component in contact therewith, comprising:

a heat sink base member having an open ended channel formed in a first surface thereof, said open ended channel including a curved lower wall and a pair of side walls, each
